### *News from the H.S.A.*

- Gala Tickets are on sale every morning from 7:15am to 8:15am and every Thursday afternoon from 2pm - 2:45pm in the main lobby of the school. They are \$75 per person when purchased in advance or \$85 at the door. Please remember to turn in your table assignments so you can sit with your family and friends.
- Pasta Fagoili Fridays is almost here! Beginning on Friday March 3rd and every Friday through April 7th from 5pm to 7pm we will be serving Pasta Fagoili, Salad, Bread, Dessert and beverages in the school cafeteria. We are in need of volunteers to help with the weekly preparation, serving and clean-up so we will be utilizing Signup.com for volunteers this year. An email will be sent out in the coming weeks for volunteers to sign up.
- Our Annual Raffle will begin on March 1st and run through the last day of Pasta Fagoili, Friday April 7th, where the drawing will be held at 6:30pm in the school cafeteria.
- The Golf Tournament has been changed to Friday May 12th and will be held at Southington Country Club
- Keep Scrip Cards in mind for birthdays, anniversaries, your weekly trip to the grocery store or your daily coffee fix!

Your student has brought home a form to reserve your spot for next year. Completing and returning this form helps us plan for class size and budget projections. Please return this form at your earliest convenience. We are looking forward to welcoming siblings of our current students for next year. If you are planning on enrolling another family member, please indicate that information on your form. Please note: our popular pre-k class (age 4) is filling quickly. Avoid the waiting list; send in your form TODAY.

We would like to offer a Spring Introduction to Computer Programming 5-week course, beginning on 3/4/2017 at 10-11:30a. The class will be limited to 12 participants and preference will be given to those who previously attended the fall 2016 session, as we will be build on the previous semesters work. Students will gain knowledge of the Java computer programming language, which is the most widely used web development language. The weekly class will be a combination of lecture and hands-on coding assignments, lead by an instructor and teaching assistant. If you have any questions, please contact Tim Gallagher – tadgallagher@gmail.com. Course cost will be \$25 per student and include any materials.
