SCRIP PROGRAM: Southington Catholic School's scrip program is under way. This can be a great and easy fundraiser for our school by simply purchasing gift cards for regular shopping and gift giving. For every gift card purchased we will receive a certain percentage depending on the amount the retailer offers.

There are different ways to place your orders:

1. Complete a "Scrip Order Form "and send it into school with a check, cash or money order by Monday. If there is no school on Monday, orders will be placed on Tuesday. The order form can be downloaded from both of our school's sites; EduConnect under "Forms and Documents" and southingtoncatholicsschool.org under H.S.A.

2. You can place your own order on line by:

Go to www.glscrip.com

Click on "Shop with Scrip Fundraising ..."

Click on "Register"

Click on "Join a Scrip Program"

Enter our enrollment code: 151CF2EL11729 Then

click on "Register"

Complete your personal information in the next 5 steps Click

"Register" and you now

can order on line at any time.

You still need to send in your payment by Monday in order for your order to be released if you are ordering e-now cards or if your ordering standard gift cards.

The orders will be placed by the SCRIP Coordinator. In most cases, if your order is received by Monday, your gift cards will be sent home to you or can be picked up that following Friday.

Great Advertising Opportunity- Are you looking for a popular way to promote your business to all our school families as well as the hundreds of prospective families that view our website? Consider sponsoring an ad on the Southington Catholic website for your business, as a family memorial or to advance a civic or fraternal organization. Our generous sponsors make the website possible at NO COST to our school. We gladly support these special partners of SCS. Call for more information. Thank you for your consideration.

Remember to directly contact the School Nurse with any health concerns regarding your children. Many factors can contribute to visits to the Health Office. The ability to learn is contingent on a student's health and well-being. In addition all injuries requiring the use of special appliances must be directly reported to the School Nurse. A Doctor's statement is required explaining the nature of the injury and limitations the student needs to follow during school hours. This includes ace bandages, crutches, casts, special shoes, slings, etc. You may contact me at 860-628-2485. Or stop in to see me directly. Kathryn Laviana, RN School Nurse
