Great Advertising Opportunity- Are you looking for a popular way to promote your business to all our school families as well as the hundreds of prospective families that view our website? Consider sponsoring an ad on the Southington Catholic School website for your business, as a family memorial or to advance a civic or fraternal organization. Our generous sponsors make the website possible at NO COST to our school. We gladly support these special partners of SCS. Call for more information. Thank you for your consideration.

Remember to directly contact the School Nurse with any health concerns regarding your children. Many factors can contribute to visits to the Health Office. The ability to learn is contingent on a student's health and well-being. In addition all injuries requiring the use of special appliances must be directly reported to the School Nurse. A Doctor's statement is required explaining the nature of the injury and limitations the student needs to follow during school hours. This includes ace bandages, crutches, casts, special shoes, slings, etc. You may contact me at 860-628-2485. Or stop in to see me directly. Kathryn Laviana, RN School Nurse
