Tuition Contracts- We were delighted that so many of our families have committed to returning to SCS for the 2018-2019 school year. You should have received your tuition contract and information about uniforms, financial aid and bus registration together with your contract. We indicated that all contracts were due by Friday, May 18th. Thank you to all the families that were able to comply with that request. If, however, you DID NOT receive your tuition package please contact the office and we will be sure you have all the important forms for re-registration.
