**Sept. 11 Band lessons begin**

**Welcome back to the new school year. I would like to thank our custodians who worked to clean the building and relocated some rooms over the summer in the heat. The faculty and staff did a wonderful job setting up the classrooms, establishing new classrooms including a new faculty room, cleaning closets, decorating bulletin boards, and most importantly, preparing lessons for the start of school.**

**Our students seem eager to learn now that the temperature has dropped. Thank you to our parents who helped our students with summer work.**

**Enjoy the last days of summer!**

**Eileen Sampiere**
